You're Not Alone on This Journey

First of all, thank you for trusting me enough to read *Protect Your Daughter Before It's Too Late*.

I know that parenting isn't always easy. Every daughter is different, and every family has its own unique challenges.

That is why I wanted to give you something a little more personal.

Need to Ask a Question?

If something in the book wasn't clear, or you're facing a situation with your daughter and would like some guidance, you're welcome to send me an email.

While I may not be able to reply immediately to every message, I genuinely read the emails I receive and will do my best to respond and point you in the right direction.

I Will Love to Hear Your Story

If this book has helped you in any way, I would be incredibly grateful if you shared your experience with me.

- ◆ *Did your daughter begin opening up to you?*
- ◆ *Did one conversation change your relationship?*
- ◆ *Did you try the 30-Day Closer to You Challenge?*
- ◆ *Has this book encouraged you to become a more intentional parent?*

Your testimonial means more than you know.

Not only does it encourage me to keep creating resources like this, but it may also inspire another parent to take action before it's too late.

If you're happy to share your experience, simply send me an email with your story.

Thank you once again for allowing me to be a small part of your parenting journey.

I'm rooting for you and your daughter.
